

Air Arabia

Welcome to Air Arabia, the Middle East and North Africa's first and largest Low Cost Carrier (LCC). We fly you to over 101 destinations spread across the Middle East, North Africa, Asia and Europe. We offer you comfort, reliable and value for money air travel across our network and with our value proposition "More than Just Low Fares", we help you to fly more often to more places at your own convenience!

The millions of passengers who have chosen to fly with Air Arabia have helped us make a difference and set a mark in the aviation industry internationally. Learn more about your preferred Airline through Media Centre. Read about the latest happenings and our most recent achievements.

Air Arabia is the first publicly listed airline in the region providing the carrier an independent path to growth and profitability; visit Investor Relations to learn more about the company's financial results and statements.

Air Arabia is not only committed to providing affordable air travel but is also dedicated to uplifting the lives of those who are less fortunate. Taking responsibility and lead on social needs of local and international communities has been part of our success. To this end, the carrier has implemented a corporate social responsibility (CSR) program for sustainable development with an emphasis on providing better education and healthcare for underprivileged communities. Click on Community to learn more about our initiatives.
