

KHATIB & ALAMI

K&A's expertise has grown from architecture to a full-fledged multidisciplinary consultancy firm. Over the past 50 years, we have built on deep technical know-how to become a leading consultant in Architecture and Engineering services; Urban and Regional Planning; Water and Environmental Engineering; Transportation and Traffic; Industrial; Power and Electrical Utilities; Telecommunication; Construction and Project Management; and Geospatial Systems Integration solutions. The evolution of our expertise has never stopped. We are committed to developing our in-house expertise to address our clients' changing needs and those of the community at large.

Our area of operations covers the Middle East and North Africa (MENA), Sub-Saharan Africa, Commonwealth of Independent States (CIS), Western Europe and North America, with 8 regional offices and numerous branches, bringing together over 30 nationalities and more than 5,000 employees. We are among the top 100 international design firms in the world, according to Engineering News-Record (ENR), For 2014 we are ranked 47 internationally, for the middle east we are ranked in the top 7.

We have Permanent Offices established in Abu Dhabi, Dubai and Sharjah which have been successful in operation for the past 45 years and made significant contribution to the United Arab Emirates and GCC/MENA Regions Urban and Property Development Sectors.
