

## **Sharjah Chamber of Commerce and Industry**

Established in 1970, the Sharjah Chamber of Commerce and Industry is considered the link between companies and government departments, to enhance economic development, community welfare and public utilities.

SCCI records all companies and establishments practicing commercial, industrial or professional economic activities in Sharjah and those which have a head office, branch office or agency in the Emirate.

The Chamber aims at assisting members, developing commercial relations, enhancing economic and investment activity, and increasing cooperation and coordination with specialized establishments and bodies, both locally and overseas.
