

Dr. Ali Al Marri serves as the Executive President of Mohammed Bin Rashid School of Government since March 2013, where he contributed significantly to the development of educational, training and research activities at the School in order to achieve its mission to empower future leaders and policy makers in the UAE and Arab World and to enhance the region's capacity to adopt effective public policies.

Dr. Al Marri is considered as one of the young leadership in the Government of Dubai, who combines academic achievement and practical experience, as he has earned the Doctorate Degree in Leadership & Strategy for an empirical study on a number of Government entities in Dubai, and managed through his gradual progress in a number of managerial positions, to obtain vast experience which gave him the ability to support the status of the Government performance.

He has many positive engagements in educational and training activities to develop the human resources in the Government of Dubai, through delivering lectures in leadership, public management, strategic planning and sustainable development. He also participated as a keynote speaker at numerous local and international conferences and workshops.

Dr. Ali has started off from a legal background by obtaining the Bachelor's Degree in Law and Police Sciences from Dubai Police Academy in the year 2000, and has completed the Master's Degree in Law from the same College in the year 2003, then moved to specialization in Public Administration, where he got the Doctorate Degree in the specialization of Leadership and Strategy from Bradford University, UK, 2010. In addition to obtaining a number of administrative certificates as a Certified Manager of the six sigma quality, project management, process improvement and strategy development.

Dr. Al Marri contributed to the membership of a number of committees and task forces specialized in corporate performance evaluations, strategies and policies development, as well as work mechanisms and processes.

He won SHAIKH RASHID AWARD FOR ACADEMIC EXCELLENCE for the year 2012 and THE BEST PAPER AWARD from 4th Annual Scottish Doctoral Management Conference, University of St Andrews in 2008. In addition to that, Dr. Al Marri was granted many badges of appreciation and certificates of praise from public and educational bodies.
