

Régis Arnoux

CEO and Founder of CIS (Catering International & Services), France

Régis Arnoux was born on January 5th, 1938 in Marseille (France).

He has completed his studies in law in University of Aix-en-Provence (France).

Career:

- “Crédit Universel” : Legal Department Management (1962-1965).
- “SHRM” (Altieri-Biaggi Group - hospitality company and ship suppliers): International Business Development (1966-1976). In 1966, he was sent to head up a catering subsidiary in French Guiana. This company assured the hotel and catering services for the construction site of the CNES (National Space Research Center). Three years later, Régis Arnoux negotiated and won the international tender to manage the remote site for the Doniambo nickel mine extension project in Noumea. He won other contracts and took charge of the development of the local SHRM subsidiary.
- In 1977, he founded and managed his own first company: “CIR” (Catering International company) (1977-1988).
- “Inter Finance Services”: Founder & CEO (1988-1991).
- “CIS” (Catering International & Services): Founder & CEO since February 1992. In 20 years, CIS has developed a complete service offering for its customers in the oil, mining, construction and civil engineering sectors operating throughout the world, often in very challenging climatic, environmental and political conditions.

CIS is today a world leader in the management of remote sites with a service range covering catering, engineering and construction, facilities and utilities management and support services.

Honor:

- French Foreign Trade Advisor (1980-1991).
- Knight of the Legion of Honor (2003).
- Régis Arnoux was promoted to the rank of Officer of the Order: Celebration 17th December 2013.
