

Mr. Salim Bin Mohammed Al Owais
Chairman Board of Directors
Bee'ah

Salim Bin Mohammed Al Owais has held his role as Chairman of the Board of Directors for Bee'ah since the company was founded in 2007. Within his role Mr. Al Owais is responsible for developing the strategic direction of the company and ensuring its long term vision. He is also responsible for building and driving the brand, image and message as well as safeguarding the reputation of shareholders and corporations associated with Bee'ah.

Besides his role within Bee'ah Mr. Al Owais is also the Chairman of the Directorate for Municipal and Agricultural Affairs for the government of Sharjah. His position enables him to build the strategic government relationships necessary to provide the drive and vision of Bee'ah. Since 2003 Mr. Al Owais has also held the position of Chairman of the Sharjah Municipality Group of Chairmen.

Prior to his current positions Mr. Al Owais accumulated 23 years of experience working for Etisalat which he joined in 1986. Starting as Commercial Manager he subsequently worked as Development and Training Manager, College Manager and President of the Etisalat University.

During his tenure Mr. Al Owais played a key role in getting University status granted to the then Etisalat College. Additional roles and responsibilities included directing future planning, managing all operations and acting as Chief Administrator.

Mr. Al Owais holds a Bachelor of Business degree from San Diego State University from which he graduated in 1984.
